

# FIND THE RIGHT MATCH

Print and play this matching game for tips to help you find a primary care doctor.

1. Ask family and friends for recommendations.

2. Make sure the doctor is in your network.

3. Check if the office hours and location are convenient.

4. Go to **myuhc.com**® to see if the doctor has a UnitedHealth Premium designation for high-quality, cost-efficient care.

5. Ask about your individual needs. For example, does the doctor speak your language? Treat people with your conditions?

6. Meet with your top choice for a wellness visit – and make sure you're a good fit together.

Visit [uhc.com/checklists](http://uhc.com/checklists) to browse and print helpful checklists you can take with you to your next doctor's visit.

Check your benefit plan to see what services may be covered.
