

YMCA EMPLOYEE BENEFITS
A nonprofit benefit Plan exclusively
serving YMCAs since 1970.

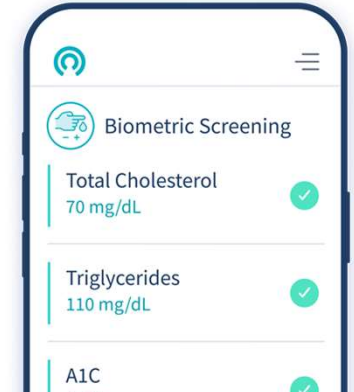

Biometric Screening, Simplified!

Choose one of several ways to
do a biometric screening.
Easily complete your screening,
your way.

YMCA Employee Benefits has
partnered with LetsGetChecked for a
**new and improved biometric
screening experience.**

Simply log into LetsGetChecked, choose
your preferred way to screen, and then
complete your screening. A biometric
screening can help identify risk factors
associated with chronic health conditions
like heart disease and diabetes. Know your
numbers. Take control of your health.

You'll get accurate physician-reviewed
results within days. It's never been easier!

Biometric screening — your way!

Choose the option that
works best for you.

At-home

With your
physician
